RE: Docket No. 2005-253-C Application Requesting the Approval of the Name Changes of MCI WorldCom Communications, Incorporated to MCI Communications Services, Incorporated and MCI WorldCom Network Services, Incorporated to MCI Network Services, Incorporated -Letter Requesting to Amend Name Change to Read as MCImetro Transmission Services, LLC d/b/a Verizon Access Transmission Services and Name Change of MCI Communications Services, Incorporated d/b/a Verizon Business Services, and Revised Tariffs Reflecting Amendment of Name Changes

Dear Mr. Terrini:

The Office of Regulatory Staff (ORS) has reviewed the referenced filing and has no opposition to the proposed amendments to the changes to the companies' names requested by MCI WorldCom Communications, Incorporated and MCI WorldCom Network Services, Incorporated. The application states the name changes will have no impact on customers and their services within South Carolina. The ORS finds that the requested name changes are not inconsistent with the public interest.

Sincerely,

P. Mak Moore  
Telecommunications Specialist
